WHO WE ARE

Recognised for Excellence in Sustainability, SVPISTM is proud to have received the "Best Academic Institution – Educational Contribution to Textile and Clothing Sustainability Award" at the CITI Textile Sustainability Awards 2026, a recognition of the institute's continued commitment to sustainable textile education, research and industry practice.

VIBRANT EMPLOYMENT OPPORTUNITIES IN THE TEXTILE AND APPAREL SECTOR

- Textiles is the second-largest employment-generating sector after agriculture.
- Government initiatives in textiles and apparel are projected to drive sectoral growth, creating over 7.5 lakh direct jobs and additional employment in related activities.
- India's textile and apparel industry is projected to grow significantly, with the market expected to reach around USD 350 billion by 2030
- The export promotion policy allowing 100% FDI in textiles has boosted both industry players and consumers.
