## PROSPECTUS

## **VISION**

To emerge as an internationally renowned Centre of Excellence in Textile Management Education, Creating a strong cadre of professional managers who will become inspiring performers and decision makers, capable of attaining high standards and competitive edge to bring the Indian Textile Industry to the forefront.

## **MISSION**

Mission is to impart vibrant, comprehensive and innovative learning to our students enabling them to be managers, entrepreneurs and leaders with strong cultural values and to provide an ambience to develop their skills to meet the challenges of the global business environment.

Mission is to impart vibrant, comprehensive and innovative learning to our students enabling them to be managers, entrepreneurs and leaders with strong cultural values and to provide an ambience to develop their skills to meet the challenges of the global business environment.

To create, inculcate, imbibe, translate and apply knowledge to address the needs of individuals, systems, industry and the society.

This is visualized and accomplished through quality education enabling individuals to lead responsible, productive, and personally satisfying lives. Our mission orientation is strengthened through the applied research, scholarship, and creative activities that advance knowledge and enhance the educational process. The outcome of our mission would

be visible in the form of good and quality employment of our students who would be able to contribute to the solution of societal problems and enrich the quality of life in the society at large.

## **ABOUT US**

SVPISTM is accredited by NAAC and approved by AICTE. It is an autonomous body set up under the aegis of Ministry of Textiles, Government of India. The aboriginal institution to continue and play preeminent role in the field of professional Textile Management Education. Preemptory global competition and perception of a new appetite for trained, dynamic and professional work in textiles industry gave birth to this Institute.

Established in the year 2002, SVPISTM has been playing a catalytic role in sensitizing and professionalizing the textiles industry, by creating successful professionals, who distinguish themselves by their intellectual capital, commitment to excellence and continuous development.

SVPISTM is charting a road map to emerge as an internationally renowned Centre of Excellence in Textile Management Education, Creating a strong cadre of professional managers who will become inspiring performers and decision makers, capable of attaining high standards and competitive edge to bring the Indian Textile Industry to the forefront.

Transition in the present textiles industry with huge expansion, needs the best management brains with technical synergy. With changing time frame, the Institute has been taking pro-active steps to adopt itself to the changing dynamics of the textiles sector. The Institute is inculcating a thought-provoking interplay of individual vision, intellectual discipline and a sense of team work. Latest technologies are employed for effective delivery and the curriculum emphasizes practice orientation, in the areas of research, consultancy, executive development and knowledge management. Recently the Institute has emerged as a center for innovation, incubation and entrepreneurship to help innovators in successfully commercializing their innovation through an enterprise.
